**HOW THE PRINTED WORD OPERATE SAFELY
DURING THE COVID-19 PANDEMIC**

CUSTOMER SAFETY

Here at The Printed Word, our first priority is making sure our customers are safe during their visit. Although we recommend organising delivery, We have taken every step to make our customer interactions completely safe and socially distant.

STAFF & WORKPLACE

Along with customer safety, our staff and workplace are our highest priority. So making sure they are safe in the workplace is equally as important to us. We have added sanitiser stations and a strict hygiene regime to ensure our staff can continue to work safely.
